President's Message

Hello fellow Newcomers. I have wonderful news to tell you. We have not had anyone advise me, or our Care and Concern Ambassador, Pat Younger, of any cases of COVID 19 among our membership. Thank you all for practicing good common sense.

Due to state and federal guidelines, we still cannot have the size of monthly socials that we have always had. However, be on the look out for an email that will be coming soon regarding proposed "nouveau" socials.

The focus of my message is about why we all feel so adrift with not being able to get together. It's because our Lakeway community and its people are so unique and special. We have an abundant crop of fabulous people who have stepped up to the plate to make our Newcomers club the terrific social group that it has become. Past presidents and boards rolled up their sleeves and worked tirelessly to make members feel welcome, to encourage participation in community functions, and to help members make new friends. And now, this year's board is having a hard time sitting on their hands waiting for approval to get things back up and running. I ask that you keep faith. Remember the reason why we miss our Newcomers gatherings so much – it's because we know what a gem we created. We will be there again soon.

Your Newcomers President,
Joan Peterson
