President's Message

As we enter November, we are thankful for the many blessings we have received living in Lakeway, TX, and the United States. We also enter LNN's busiest social season of the year**.**

Our scheduled events for November are as follows:

- LNN Single, Social & Sparkling Gals on November 7th
- Wines of the World Event on November 10th
- Ladies Night Out on November 11th
- LBJ Library Tour & Lunch on November 12th
- Trivia Night on November 13th
- Men's Night Out on November 18th
- Gin Rummy on November 25th
- Cinema Group on December 4th

November will fly by, and soon we will be in December, preparing for our premier social event of the year, **THE GALA**! **Hopefully, everyone has purchased their tickets for this event on DECEMBER 10th, which will be held at the Flintrock Country Club and feature Lakeway favorite – Groove Knight**. Our social team is planning a fabulous evening of dining and dancing**.**

Please make every effort to attend and click here to buy your tickets! This will be a first-class affair!

A point of clarification – when purchasing your Gala tickets, if you want to order two different menu items (one meat & one fish), you will need to enter two separate orders: one for meat and one for fish. If you want to order two of the same items, enter one order with a quantity of two.

Finally, two other reminders:

- **Dining Out** – registration for the winter season is now open until January 4th. Be sure to register for this!
- **Membership Renewal** – be sure to renew your membership for 2027!

Once again, see the details shown below for all activities.

I encourage everyone to review the calendar of events shown on the last page of the newsletter and participate in as many events as possible.

I look forward to seeing everyone at our upcoming events.

Cinema Group

The Cinema Group typically meets at a member's home on the **fourth Friday of each month** to discuss and rate two previously selected movies. Attendees can nominate films currently playing in theaters or available to stream online. Those who RSVP to attend the group discussion meeting will view the two selected films on their own before the group's next meeting.

Attendees bring an appetizer to share and their own beverage. The host provides a dessert. The evening begins at 6:30, followed at 7:00 by a group discussion of the two movies and the selection of next month's movies. The host of the current month's meeting will set the attendance capacity for their home. Once the host's home reaches capacity, a waitlist will open. Email Faith Stevens at **faithstevens@gmail.com** if you want to be added to this group's mailing list.

The November & December meetings have been combined and are now scheduled for **December 4th.**

Dining Out Group

We hope all participants are enjoying this Dining Out session!

As we head into fall, it's time to plan for the next Dining Out cycle, which runs from February through the end of June 2027. Registration for the next Dining Out cycle is now open.

If you are a participant in the current cycle and want to continue in the next cycle, no action is needed, as you will automatically be enrolled in the next cycle's pairings. If you dropped out during the current cycle, you must re-enroll to participate in the next cycle.

If you are not currently a participant in Dining Out and would like to join the next session (Feb - June 2027), click the **link below** **before January 4th, 2027.**

Dining Out is a great way to meet new folks in our community and explore great dining opportunities in the area! The way it works: Couples/Singles are randomly paired into groups of 6~8 people. Each couple/single in the group coordinates a restaurant choice and a mutually agreed-upon date for an evening of good food and stimulating conversation. Each couple/single pays their own bill. The following month, the group chooses another restaurant, and the process continues until all couples in the group have made their restaurant choices. Meetings are held once a month, and each cycle typically lasts 4 to 5 months. Following a couple of months' break, participants are randomly reassigned to a new group, and the process repeats.

There are 2 cycles per year (Feb–June and Aug- Dec). You may elect to cease participation between cycles; participants will automatically be reassigned for the following cycle.
